India's Biggest Fasteners Show

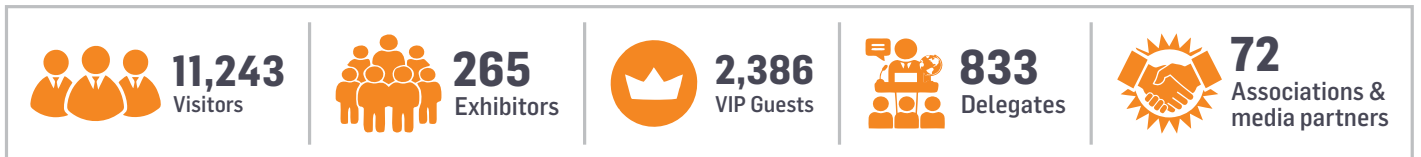

India's fastener market is worth \$11.2 billion and growing at 8.7% annually the fastest in Asia Pacific. That demand is already there. The buyers are already buying. India Fastener Show puts you in the room face to face with the OEMs, procurement heads, and distributors making those decisions. One exhibition. Direct access. The right market, at the right time.

Show Statistics - Pune 2026:

Show Statistics - Chennai 2025

Major Manufacturing Investment Corridors

Southern India is the fastest-growing manufacturing region in India at 7.72% CAGR through 2031, spanning four powerhouse states – Telangana, Karnataka, Tamil Nadu & Andhra Pradesh

MSME Engineering Hub

South India hosts thousands of MSME engineering units: precision machining shops, press tool makers, injection moulders, jig and fixture fabricators looking for new technologies.

Strong Industrial Corridor

Hyderabad, Bengaluru, Chennai & Vizag form one contiguous industrial corridor giving you access to the entire southern belt spanning across variety of sectors.

India's Aerospace Spine

HAL, ISRO, Boeing, Safran, Tata Advanced Systems & 1,000+ aerospace MSMEs are present in this corridor to give you access to a new set of buyers from the region.

As Fastener and Fixing technology provider, this corridor is highly dense connecting you with top industrial belts around Hyderabad including:

Cherlapally

Heavy engineering, fabrication

Shamshabad

Aerospace, electronics

Adibatla

Aerospace, defence

Zaheerabad

Automotive, engineering, manufacturing

The Market Drivers

3rd
Largest vehicle producer in the world in 2025 — 5.06M+ cars annually

\$250B
India's automotive industry size in 2025 — world's 3rd largest

\$190B
India infrastructure market 2025, growing to \$280B by 2030

\$73.1B
Auto components industry turnover FY2024 — up 9.8% YoY

8.7%
India's fastener market CAGR 2026–2033 — fastest in Asia Pacific

\$1.9T
National Infrastructure Pipeline investment across 9,142 projects

Visitor Attendance by Sector

Visitors by Job Title

96% Exhibitors were overall satisfied

89% Buyers found the show to be extremely useful

84% Exhibitors agreed to participate again

86% Buyers agreed to visit the show again

Gain new customers and reach new markets

Manufacturers, distributors, suppliers, and exporters of technologies including machinery, equipment, products, and solutions that represent the fastener, and fixing sectors are exhibiting at the show.

Who can Exhibit?

Industrial Fasteners and Fixings

Fastener Manufacturing Technology

Construction Fixings

Storage, Distribution, and Factory Equipment

Assembly and Installation Systems

Information, Communication & Services

Raw Material for the Fasteners Industry

Coating and Heat Treatment Equipment

Fastener Manufacturing Machines

Machinery and Equipment

Experience futuristic trends and technologies.

Buyers representing decision-makers, CXOs, departmental heads, and key managerial positions from the manufacturing industry are attending the India Fastener Show 2026:

Who can Visit?

Automotive & EV

Aerospace & Defence

Industrial Machinery

Construction & Infrastructure

Railways

Electronics

Fabrication & Metal Processing

Energy & Utilities

OEMs & Contract Manufacturing

Communication Technology

Furniture Manufacturing

General Engineering (Light/Heavy)

HVAC, Air Conditioning & Services

Marine

Resellers and Distributors

Satisfied Exhibitors

We were delighted with the response at the Fasteners Show 2025. Our stainless steel fasteners drew attention from both domestic and international clients. A professionally curated event that delivered on every front

This event brought great visibility to our brand and products. The quality of visitors and the focused nature of the show helped us engage meaningfully with key industry stakeholders. A valuable platform for fastener manufacturers.

The Chennai show proved to be a highly rewarding experience. From strong business leads to live demos of our high-precision tools, the exposure we received was fantastic. A must-attend event for any serious player in the fastener industry.
