Satisfied Exhibitors

We were delighted with the response at the Fasteners Show 2025. Our stainless steel fasteners drew attention from both domestic and international clients. A professionally curated event that delivered on every front

This event brought great visibility to our brand and products. The quality of visitors and the focused nature of the show helped us engage meaningfully with key industry stakeholders. A valuable platform for fastener manufacturers.

The Chennai show proved to be a highly rewarding experience. From strong business leads to live demos of our high-precision tools, the exposure we received was fantastic. A must-attend event for any serious player in the fastener industry.

The event has been a great platform to connect with industry peers, showcase our innovations, and explore new business opportunities in the fastener industry.

We are delighted by the success of the event. The exhibition has provided us with a fantastic opportunity to showcase our products, connect with potential customers, & expand our business reach at South India's growing manufacturing hub.

India Fastener Show proved to be a valuable business platform for us. We received quality inquiries, met new customers.
